

		SONG/FS TITLE												
		I knew you weren't from Canada												
		If I Fell I Wouldn't Question How												
		Pizza or Taylor?												
		If I Fell B												
		Noxious stimuli												
		I want you to be okay, too												
		Bury your gays												
		You changed my story												
		Please just read it												
		Why did he write this story then?												
		So Much More												
		More To Us
